Academic Calendar 2026-27

FICTIONAL COLLEGE. EVERY RULE HERE IS INVENTED FOR A SOFTWARE DEMO.

Odd semester (August to December 2026)

Classes for the odd semester begin on 4 August 2026. The first internal test (CIE 1) is held from 15 to 19 September and the second internal test (CIE 2) from 27 to 31 October. The last working day is 20 November. Semester end examinations (SEE) run from 1 to 19 December 2026, and results are announced by 20 January 2027.

Even semester (January to May 2027)

Classes for the even semester begin on 4 January 2027. CIE 1 is held from 15 to 19 February and CIE 2 from 29 March to 2 April. The last working day is 30 April. Semester end examinations run from 10 to 28 May 2027.

Project reviews

Final-year project review 1 is held in the week of 7 September and review 2 in the week of 12 October. The phase 1 final review is in the week of 16 November. The final project demonstration for eighth-semester students is from 12 to 16 April 2027.

Holidays

Holidays follow the state government list, which the office publishes on the notice board and the student portal in July. Classes missed because of a declared holiday are rescheduled on Saturdays.
