Examination Rules (1/2)

FICTIONAL COLLEGE. EVERY RULE HERE IS INVENTED FOR A SOFTWARE DEMO.

Marks and passing

Each course has 50 marks of continuous internal evaluation (CIE) and a semester end examination (SEE) of 100 marks scaled down to 50. CIE marks come from two internal tests of 20 marks each and assignments worth 10 marks. To pass, a student needs at least 40 percent in the SEE (20 out of 50) and at least 40 percent overall.

Make-up test

A make-up internal test is allowed only for medical reasons. Apply to the class advisor within 3 days of the missed test with a medical certificate. Only one make-up test is allowed per course in a semester.

Revaluation and photocopy

Students may apply for revaluation of an SEE answer script within 7 days of the results. The fee is 500 rupees per course. A photocopy of the answer script can be requested within the same 7 days for 300 rupees per course.

In the examination hall

A hall ticket and the college ID card are compulsory for every examination. Students may enter up to 30 minutes after the start, and may not leave during the first 60 minutes.

Calculators and phones

Non-programmable scientific calculators such as the Casio fx-991ES are allowed. Programmable calculators are not allowed. Mobile phones and smart watches must not be brought into the hall; a phone found on a student is treated as malpractice.

Malpractice

Every case of malpractice is reported to the examination committee, whose decision is final. There are no grace marks.
